PauseAs life seems to fall into line someone, something, somewhere seems unsatisfied. With yet to come can this deer maintain in the jungle Keep checkin for the follow up to Bambi s glamorous life PERSONALLY, I like me some Nikki Turner The fact that she s with a better publisher, and took the time to apologize for past mishaps, further supports that Deemed as an NT Original, I found The Glamorous Life to be just okay The essence of the friendships, and the imminent need to be loved is captured perfectly That Ruby character and her institutionalized thorough self made me laugh out loud However, I don t have any empathy for a business savvy chick that has her own means, yet is dedicated to getting whatever she can, using what she s got I did feel some growth in the character, yet, it s still the same verse. The book was really good cant wait for a sequel But Bambi was just plain money hungary no sense of respect for herself but I enjoyed how she holding her man down for real. I REMEMBER BEING IN MIDDLE SCHOOL WANTING TO READ THIS BOOK SO BADLY I THOUGHT IT WOULD BE SOME TYPE OF FAIRY TALE BLACK PRINCESS BOOK BUT BOY IT WAS FAR FROM IT I REALLY ENJOYED THIS BOOK BECAUSE IT KEPT MY INTEREST THE WHOLE TIME THE MORE I READ THE MORE INTERESTING THE BOOK BECAME BAMBI IS SUCH A SWEET BEAUTIFUL STRONG WOMAN DOING WHAT SHE HAD TO DO BY ANY MEANS NIKKI TURNER CRAFTED A WELL WRITTEN BOOK SOME PARTS OF THE BOOK I HATED BUT OTHER PARTS I LOVED FOUND MYSELF CRYING BECAUSE I TRULY WANTED THINGS TO WORK OUT FOR BAMB THIS BOOK IS THE EPITOME OF THE FAMOUS SAYING IT CAN T RAIN FOREVER or THERE S ALWAYS A LIGHT AT THE END OF THE TUNNEL I MUST ADMIT NIKKI TURNER BOOKS ARE MY URBAN ADDICTION I HEAR THERE S A SEQUEL TO THIS BOOK I LL DEFINITELY READ IT EVEN THOUGH I M NOT A BIG FAN OF SEQUELS THIS BOOK DAMN SURE DESERVES ONE This book got me hooked on Ms Turner and I don t necessarily read a lot of street literature but I got into her other work from this one book Fast paced loved the drama I laughed, got mad, cried and learned a few things Great book from the beginning

to end. All time favorite from Nikki Great read. The Lure Of Richmond, VA S Streets Is Too Strong For Bambi, A Good Girl From The Right Side Of The Tracks, Who Fell In Love With, Reggie, A Young Hustler Her Thug Love Not Only Corrupted Her But Blinded Her With The Bling And Cash That Come With Living The Glamorous Life Of A Gangsta S Girl Until Reggie Hit Her With A Low Blow, Crumbling Her Heart From That Day Forward, Bambi Vowed That Whoever Crossed Her Or Anyone She Loved Would Pay Usually In Large Bills With The Street Knowledge She Gleaned From Her Ex As Well As Her Own Business Savvy, Bambi Builds A Multimillion Dollar Party Planning Empire Along The Way She Runs Across All Kinds Of Dudes Who Try To Run Massive Amounts Of Game, And Ultimately She Becomes A First Rate Swindler And Top Notch Gamestress In Her Own Right Then She Crosses Paths With Lynx, A Young Drug Dealer Who Sees In Bambi Than The Gold Digger She Is Rud To Be He Methodically Penetrates Her Shield Layer By Layer Until He Captures Her Heart But Is She Just Setting Herself Up To Be Played Once Again The Bestselling Author Of A Hustler S Wife And A Project Chick, Nikki Turner Gives Up The Game That Could Never Be Sold, Only Told Nikkis always been a genius since I was in Middle School Shes the best Showing how a woman turned cold by love can be saved by the real thing and a real man. I can definitely feel this book, I loved Bambi and she s very likeable and midway through I found myself rooting for her I also believe this was a very quick read. Now my problem with this book was that I felt it had absolutely no plot I felt as if I was reading the first half of a book where the introduce the characters and then small problems pop up but there was always one big problem that needed to be solved by the end of the book This book is literally the first half of a book because I felt as if there was no plot at all, no big problem and it just seemed to hop all over the place in my eyes I felt as if there was almost no purpose for the book. The smaller issues were very good and I hoped for a bigger one to pop up and possibly the ending will be the bigger problem but I don t know, it just didn t sit well with me 3 4 into the book It s still a decent book to read, don t get me wrong. So I tried to start reading this again and it just didn t work for me I really can t connect with the reading style like I used too I use to love reading this types

of books when I was in high school I just couldn't connect with the main character and the slang in the book was just too much. Maybe I will try reading again one day. I really hate not finishing what I started but I just couldn't do it. So I guess when I do finish this book the rating gave it will change but now 2 stars is all it gets.
