Teri Woods was an excellent choice for my return to urban lit While I didn't always agree with Dutch's actions, his character is developed enough for me to understand his motives I'm committed enough to complete the trilogy The narrator does an excellent job with male and female voices. Well at first I was saying to myself this book is dry I was looking for some flame, fire, spice, don't get me wrong this was a great book I got so into I thought it was a true story But it took a while to get me there but can someone tell me who Dutch is But for real though Dutch was off the chain no one to be played with the only parts I didn't like was his mother she was heartless and you why in this life these young men are dying in the streets and going to jail because there are some mother like that Secondly Nina, I mean I don't understand her pain because my brother is still living but to turn down a man who wants you to be the leading lady in his life is crazy now she crying cause he dead What's the saying Give me my roses while I'm living because I'm dead I can't smell them something like that But anyway about 2 read part 2 See what's next fyi I did cry when they said he was dead though Lol Newark NJ, District Attorney Anthony Jacobs Is Confident Of The Witnesses And Associates He Has Gathered To Testify And Vows To Bring To Justice Bernard James, Jr Newark S Most Notorious Gangster James, Also Known In The Streets As Dutch, Is Noted To Be The Most Dangerous Criminal To Come Up In Jersey In The Last Years From His Experience And Skill As A Young Car Thief, Dutch Recognized The Opportunity To Become The Ruler Of The Streets And Seized It Feared By All, And Completely Fearless, Dutch And

His Dangerous Clique Take Over The Lucrative Heroine Trade From The Clutches Of Nigerian Drug Lord Ojiugo Kazami With Both The Respect And Protection Of The Italian Mafia, Dutch Becomes The Most Terrifying Force On The Streets Now He S On Trial For Allegedly Masterminding What The Press Has Dubbed THE MONTH OF MURDER, A Brutal, Thirty Day, Killing Spree Where None Were Spared With Dutch Facing Multiple Life Sentences And A Possibly Death Penalty, The Streets Are In A Mixed Uproar Of Celebration And Dread Will This Be The End Of Dutch S Reign Of Terror Or Just The Beginning

The book was OK I would have liked less flashbacks in time, that made it hard to get into the story Also there were too many characters it was hard to keep up with who is who.

Dutch by Kwame Teague is a street classic The main protagonist is Bernard James, who goes by the name of Dutch, moves up the ranks by first stealing cars with his crew He gets caught and thrown in jail on his first major heist at the port, and swears to never return to prison again He devises a plan with his crew to go after a major kingpin who everyone feared, that s until Dutch discovers his weak link and kills him. After he kills him, he makes a visit to the Italian mafia, to presented them with a surprise The leader is convinced Dutch is ruthless, and decides to reluctantly agree to his proposition of working in collaboration with him It was then that Dutch becomes the most feared man on the streets To read the rest of this review, please visit This is not a book for everyone Therefore if u like alot of action this is what u should read on a scale of one to ten this book is a 9 In addition, Dutch is a drug lord that has alot of accomplishshments on his mind Dutch had to take over the whole drug flow that was coming in from mexico, But then everything got real heckted Dutch had a connect that he whent to and rellied on all the time intil this one day Dutch to his connects house to pay his dept, but once Dutch walked throw the door he was grabbed by 2 guys He broke free and killed them both, and then whent after the connect The connect was in the room with hit 6 month old kid Therefore dutch whent in there, but right before he killed him he was told by his connect that Dutch was going to be killed by his son so Dutch just looked and laugh at him Then Bang, his connect was dead and thats how the first book ended This book was so bomb I read it twice. While waiting 4 the last installment I had Dutch

WITHDRAWAL so I began to read it 4 the 3rd time N 1 2 wy 2 a
3rd finish UPS knocked on my door with book III I
IMEDIATLY began to read it Sorry to say no disappointment
Ms.Woods well yes there was DISSAPOINTMENT I wanted
Didn't want it 2 END. Teri should have hired an editor and
proofreader The typos and mistakes were extremely distracting
from an already not so interesting story I picked this up
because it was the first of a trilogy and so I thought it would be
a complex story I do not have any desire to read the next two
books Best thing I could say is that the story was only 189
pages with large typeset. Very good book One of the best
urban books I have read Bernard James, Jr., a.k.a Dutch, grew
to become the most dangerous criminal in New Jersey Street
smart and ruthless, Dutch was gifted at reading people With
careful positioning and luck, Dutch was able to win the
attention and respect of Italian mobsters Planning, luck, and
guts help Dutch move up from teenage carjacker to drug lord
With the help of criminal bosses and Dutch's past associates,
District Attorney Anthony Jacobs is intent on taking Dutch
down As the action unfolds and blood flows, how will it end
Dutch is a fast paced and carefully crafted thriller Each of the
main characters are well fleshed out Unwilling to accept
traditional rules and authority figures, Dutch and his friends
develop their own code of honor Despite his ruthless and
criminal acts, I found it easy to understand and sympathize
with Dutch's choices Overall, Dutch was a fast and engrossing
read I'd highly recommend it to persons who enjoy action and
mafia type novels Publisher Grand Central Publishing
Collectors edition September 23, 2009 , 256 pages.Courtesy of
