I m not a huge fan of the Tacky books, but I have to admit that I did like this one Pulled for a unit on elephants, I found this to be a pretty cute little read The fancy tablecloths reminded me of the painting elephants do, too, which was a nice bonus. A great book. Not my favorite Tacky book, but it was cute. Tacky was not like the other penguins but did everything louder and with enthusiasm When he went surfing and ended up in a strange place he finds himself with a problem Cute story. Tacky The Penguin Goes Windsurfing And Ends Up On A Tropical Island, Captive To An Elephant Who, Upon Seeing Tacky S Floral Hawaiian Shirt, Mistakes Him For A Bouquet Of Flowers The Elephant Thinks That Tacky Would Make A Pretty Centerpiece, So She Arranges Him In A Vase And Sets Him On Her Table Tacky S Fans Are Sure To Delight In The Show As Tacky Uses All Of His Best Penguin Moves To Wriggle Himself Out Of This Hilarious Jungle Mix Up Only The Team Of Helen Lester And Lynn Munsinger Could Pull Off A Tale Of Such Far Fetched Adventure They Are Masters At The Art Of Creating Silly Stories And Beloved Characters That Make Children Laugh Out Loud Tacky in Trouble had great reviews and many of my friends love this books from their childhood, so I had to pick it up I really enjoyed this book and the illustrations I enjoyed how Tacky was a unique character who didn t follow the rules Tacky was a very colorful character, from the clothes he wore to his personality This books takes you on a crazy adventure with Tacky Because Tacky doesn t follow the rules and does what he wants, not what others want He ends up sailing across the see and landing on an island When all Tacky

s friends just want to take a nap, he wants to go be active and go surfing and it takes him on an adventure where he meets Rocky, the elephant I really enjoyed this book and think students would also enjoy it for many reasons I think children would enjoy the book for its story and the adventure it takes you on The books is humors as it is about the friendship between an elephant and a penguin Students could also enjoy Tacky the character as much as I did, his character keeps things exciting I would love to have this book in my classroom and Tacky has several other books so students would read them all. Age range 4 8Personal Reaction I enjoyed reading this book very much because it involves the readers with the story and make the reader get attached to the story.Purpose Read aloud to four years old children for different purposes It is about being brave and discovers other places Also, Tacky wasn t afraid to be in new place and meet new creatures He was in trouble with Rocky he used his dancing moves to illustrate the tablecloth to get his shirt to go back home Curriculum Read aloud discuss how Tacky is not afraid to adventure the world Also it is great story for practice dialog. This book is about a penguin who is very different from the other penguins He embraces his difference and does not hold back One day he get blown away while surfing and met an elephant who did not know what a penguin was, and he showed her by making a messy but beautiful table cloth when he returns home he then realizes that he was missed The penguins who thought that he was too weird noticed that he actually is the only thing that makes their lives interesting and fun This story teaches kids to not be afraid of being different, and others need people who are a little different to make lifefun. My favorite thing about this book that was sort of a wink to the audience is that the penguin s name is Tacky because how he looks and acts could be described as tacky by the other penguins because he is kind of an outsider I also found it interesting that he didn t know what the other animals were and kept describing them as weird penguins I liked this because in other books people assume animals know about other animals but if they re never exposed to them then how are they supposed to know what they are And this book kept it real The soft, watercolor illustrations and simple story line make this a good choice for reading aloud to any age. Tacky is a penguin

that get whisked away to tropical island On the island, Tacky is hoping on rocks until he lands on one that is actually an elephant Well, the elephants falls in love with Tacky s flower shirt and decides to use him as a bouquet on the table for a centerpiece Finally, Tacky has to prove to the elephant that he is actually penguin If he cannot convince him, he will not be able to go home Tacky finally makes it home to all of his friends on another ocean breeze I like this book because of the adventure that Tacky takes in the story This would be a great book to help teach predicting skills.
