

[Epub] 🐧 Penguins → Liz Pichon – Soccerjerseys-wholesale.co

Posted on 10 July 2019 By Liz Pichon

Picked this one up for a penguin themed storytime and loved it Very cute, especially the fold out photographs at the end. A simple story but a nice read A nice introduction into the habits of penguins which will make some children curious to find out I loved the creative features of the book too. If You Love Penguins You Will Love Penguins Penguins Do The Same Thing Every Day They Swim, Eat Fish, Sleep Standing Up, Look At People, And Look At People It S An Ordinary Day At The Zoo Until A Little Girl Drops Something Into The Penguin Pensee Extended Summary This is a short easy book, perfect for a quick read about penguins finding a camera and having some fun with it My favorite part of this book is how they included the photos the penguins took at the end of the book I loved that part so much Very cute A fun book about penguins who take pictures with a camera that was left in the zoo The first time I read this, the pull out photos on the last page had been torn out so I didn t understand it at all Now it s cute. Simple story but my son absolutely loves this book and always asks to read it He especially loves to pull out the pictures on the last page. i love this book so much because penguins are one of my favorite animals. This book was very good because, well, guess what happens We thought there were just gonna be pictures of penguins on the last page, but spoiler alert there was pictures of rhinos and monkeys Donkey monkeys But, where you would ve put the certificate, there s a little fold piece, and when you fold it down pictures of penguins
