husband and wife team, following upon their Christmas Tree and How to Be a Bigger Bunny , If You Were a Penguin pairs an engaging and informative rhyming text with beautiful illustrations Although I always enjoy Wendell Minor s artwork, the visuals here really stood out to me, and elevated the book from a three to a four star title They were absolutely gorgeous, and incredibly expressive, capturing the charm of his avian subjects perfectly Although there are plenty of facts here, especially in the final page, this is a very basic book, and could work very well as an introduction to the topic of penguins, for younger children It is to such young readers listeners that I would recommend the book. I wish I was a penguin This was adorable Wonderful art and full of all the different penguins Also fun penguin facts at the end
