

[BOOKS] ☆ Size Zero (Visage #1) Author Abigail Mangin – Soccerjerseys-wholesale.co

This story is really unique I wouldn't recommend it to everyone I know, but would strongly recommend to all my friends. The subject matter is dark serious, but weirdly balanced with humor and absurdity. It feels in a lot of ways like a movie, a combination of *Eyes Wide Shut* and *Silence of the Lambs*, but funnier. The writing style is so easy to read and vivid and the story moves really quickly. There are huge twists, I thought I was smart because I suspected one of them but was blown away by the other. The characters and their relationships to each other both scary real and simply absurd. It reminds me of people I know and I love it. Even though it's set in an almost fantasy satirical version of New York City's elite high fashion world, I believe a lot of the crazy things described and the horrors that take place there are real. Thank you to the publisher for an advanced reader copy. Book Review Size Zero by abigailmangin. WARNING THIS BOOK POSSIBLY CONTAINS TRIGGERS IN SEXUAL NATURE. First word WOW. This book is mind blowing. Fantastic writing. This book has murder, love, sexuality, and a whole lot of crazy. It's simply mind blowing. I seriously felt so many emotions in this book. It is a lengthy book but every sentence is needed and worth it. Everything comes together. And all the shock factor. I can't say enough about this book. Definitely a must read.
